

My day-one setup

Initials: _____

1

My brief

Stage 2 · your own classroom, with your trio's help

Setting: _____

On day one, my students will need to...

For some students, that means...

I could set up...

☐ Specific, workable, and free from blame or deficit labels

2

Options I chose

Stage 3 · choose one or two that answer your brief

- ☐ Executive functioning supports
- ☐ Predictability
- ☐ A schedule you refer to
- ☐ Visual supports
- ☐ Something else: _____

Why it fits: which demand in my classroom does it answer?

3

Universal first

Stage 4 · run these over your draft design

- ☐ Can students find and understand what they need?
- ☐ Can they take part in more than one way?
- ☐ Can they pause, ask for help or recover?
- ☐ Is the support available when demand increases?
- ☐ Is there more than one way to access, engage and respond?
